**Also Available:
Vegan / Jain / No Onion & Garlic Free**

**We are unable to guarantee that our food is free from
any food allergens or dietary requirements**

Although we try to be very careful with food allergies and dietary requirements, we have to inform you the following for your own safety

Food is prepared in our multi use kitchen, which may contain or may have traces of celery, gluten, dairy, lupin, mustard, mix nuts, peanuts, sesame seeds, soya, sulphur dioxide and any other allergies that you may have due to the cooking method as all food is being manufactured in the same kitchen using the same packaging/equipment/oil at the same time side by side with other catering orders and therefore there will be 100% cross contamination risk.

You are responsible to pass this information to your entire guests that will be consuming our food so that they can make their own choice before consuming the food. We will not take any liability or responsibility for any assumption or misinterpretation that you make. Anybody with an allergy we recommended for them to not consume our food for their own safety due to allergy reasons and cross contamination risks.

Please speak to a member of our office team if you have any questions regarding this before placing your catering order.
